COMMUNITY HEALTH

*Live stream
or read more
on our website!*

As we approach God in worship, we are reminded of the grace and hope we have in the gospel of Jesus Christ. Being shown such love by God, we respond in gratitude by putting the good of others & the community ahead of our own good as we gather to worship. Given the vulnerability of some to airborne viruses, we recommend that you stay home and utilize the livestream if you have active symptoms of a virus (flu, covid, or RSV) and wear a mask if you have only recently improved or are unsure. We seek to maintain adequate ventilation in our entire sanctuary which requires that some windows be open.
